FREE 1-Hour Presentation by
Prominent Health Practitioner
Jennifer Jefferies As
She Reveals...**

**The Groundbreaking New
Nutritional Supplement System
That's Been Clinically Proven
To Create A Leaner, Stronger
& Healthier YOU!**

Introducing Jennifer Jefferies ND... Accomplished author of the books "7 Steps to Sanity" and "Calm Kids" - Jennifer's an International business educator, Naturopath, Aromatherapist and sought after speaker in Australia, New Zealand, the United States and Asia.

In this special presentation Jennifer shares with you her real-life experiences as a health professional and how her discovery of a new nutritional supplement system has dramatically changed her approach to helping people reach their health and wellness goals!

So come along to this **FREE 1-Hour seminar** and hear first-hand from Jennifer about this **breakthrough in nutritional science** and how it can help you (and your clients) to:

- 🕒 **Achieve healthy weight-loss of up to 5kg in just 9 days!**
- 🕒 **Gain more lean muscle without changing your training regime!**
- 🕒 **Dramatically increase your energy levels & turbo-charge your recovery rates! &**
- 🕒 **Boost your immune system to avoid illness and the effects of premature aging!**

AND... if you're interested in improving your bottom-line as well as the health of your clients - then stick around because afterwards Gary Christison will demonstrate how you can integrate this system into your health practice or personal training business to create another revenue stream!

**Jennifer's here for one evening only - Monday, 5th July.
The Sebel Maroochydore - 20 Aerodrome Road - Maroochydore.
(6:15pm Registration, 6:30pm Start).**

Remember.. If you're interested in your body & your health or that of others, then you simply can't miss this opportunity to learn about this new system!
